ORDER OF THE BOARD (by T.E. Johnson):

On May 2, 2012, Green Oil Company (Green) filed a motion to voluntarily dismiss this appeal, which concerns a request for reimbursement from the Underground Storage Tank (UST) Fund for Green's leaking UST site located at 110 East Harris Avenue in Greenville, Bond County. Green had filed a petition for review of a determination by the Illinois Environmental Protection Agency (Agency) rejecting part of Green's UST Fund reimbursement request. Green's motion represents that the parties have resolved their disagreements and that Green no longer seeks Board review of the Agency's determination. The Board grants Green's motion for voluntary dismissal, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, John Therriault, Assistant Clerk for the Illinois Pollution Control Board, certify that the Board adopted the above order on May 17, 2012, by a vote of 5-0.
