**HEARING OFFICER ORDER**

On October 24, 2012, all parties participated in a telephonic status conference with the hearing officer. The parties stated that their respective intentions are to file cross-motions for summary judgment. The petitioner, however, stated that before it files a motion for summary judgment, it intends to serve discovery in the form of interrogatories. Respondent stated that it may have some concern with the discovery in light of the discovery parameters inherent in permit appeals. The respondent stated that it will respond accordingly.

The parties or their legal representatives are directed to participate in a telephonic pre-hearing conference with the hearing officer on November 29, 2012, at 10:00 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
