**HEARING OFFICER ORDER**

On February 19, 2013, the parties participated in a telephone status conference with the hearing officer. On January 14, 2013, the Illinois Environmental Protection Agency's recommendation stated that a hearing was not needed because this petition is nearly identical to the 2002 petition for which a hearing was held. Petitioner will take this under advisement before requesting a hearing date. Additionally, Petitioner expects to file answers to the Board's questions within the next two weeks.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on April 23, 2013. The status conference shall be initiated by the petitioner.

IT IS SO ORDERED.
