Subject: R13-11 NAAQS Public Hearing

As I told you several weeks ago, I have been working on a proposal for public comment to adopt Illinois NAAQS pursuant to the new identical-in-substance mandate of 415 ILCS 5/10(H), as added by P.A. 97-945. It appears at this time that the Board will adopt a proposal for public comment at the May 16, 2013 Board meeting. As the Board has done with amendments to the definition of VOM, we presently anticipate holding a public hearing to satisfy the requirements of 42 U.S.C. 7410, for the purpose of sparing the Agency having to do so after Board adoption of the Illinois NAAQSs.

We have identified the period of June 24 through July 10 as a possible "window" for the hearing. Since Fridays are my scheduled day off, I would prefer to conduct the hearing on any day of the week other than a Friday. Member Burke has expressed a willingness to travel to Springfield for the hearing. Holding the hearing on a Monday would, therefore, be inconvenient.

Please inform me the dates that are convenient for you, and I will relate them to Member Burke for her consideration.
