**RE: DCEO Response to Request for Economic Impact Study for: Vapor Recovery
Rules: Amendments to 35 Ill. Adm. Code Parts 201, 218, 219 Board Docket R13-18**

Dear Chairman Holbrook:

Thank you for your April 8, 2013 letter requesting the Department of Commerce and Economic Opportunity ("Department") conduct an economic impact study concerning Vapor Recovery Rules: Amendments to 35 Ill. Adm. Code Parts 201, 218, 219, Board Docket R13-18.

The Department has reviewed the Board's request for an Economic Impact Study for IEPA's proposal. Based on this review, and in light of continued fiscal constraints, the Department has decided not to conduct a study of the economic impact of the above referenced rulemaking proposal.

Thank you for soliciting the Department's input in this matter.

Sincerely,

Adam Pollet
Acting Director
