HEARING OFFICER ORDER

On June 13, 2013, all parties participated in a telephonic status conference with the hearing officer. The parties stated that discussions continue in their efforts to narrow the discovery issues that remain and that were included in the various motions, responses and replies filed in the last 35 days. The parties requested that the conference call be continued so that they can conclude their discussions and request that the hearing officer withhold his ruling on said motions.

Please note that the previously scheduled telephonic status conference for June 20, 2013, is hereby cancelled.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on June 27, 2013, at 1:30 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.

A handwritten signature in black ink that reads "Bradley P. Halloran". The signature is written in a cursive style and is positioned above a solid horizontal line.
