ORDER OF THE BOARD (by J.A. Burke):

On August 2, 2013, the parties filed a joint motion to voluntarily dismiss this appeal (Mot.), which concerns a leaking underground storage tank (UST) site located at 329 North 25th Road (Route 251 & R. Moyle Sr. highway), LaSalle County (site). Texaco, Inc. (Texaco) had filed a petition for review of a determination by the Illinois Environmental Protection Agency (Agency) in which the Agency modified Texaco's early action budget for the site in the amount of \$119,987.22, on the basis that those costs required additional documentation and explanation.

The parties state that they "have amicably resolved and settled all of the matters raised" in the petition for review. Mot. at 1. The Board grants the parties' motion for voluntary dismissal, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 8, 2013, by a vote of 4-0.
