**HEARING OFFICER ORDER**

On December 19, 2013, all parties participated in a telephonic status conference with the hearing officer. The petitioners stated that the approval process by the United States Environmental Protection Agency and the Illinois Environmental Protection Agency (Agency) regarding the related draft permits has been completed. The Agency will now commence in issuing the permits.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 3, 2014, at 10:00 a.m. The telephonic status conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
