(CAAPP Permit Appeal – Air)

ORIGINAL

HEARING OFFICER ORDER

On January 9, 2014, the parties and the intervenor, American Bottom Conservancy (ABC), participated in a telephone status conference with the hearing officer. Petitioner hopes to have more information on the progress of this appeal at the next status conference. ABC asserted that it should be provided with the emissions data without submitting a FOIA request. Petitioner responded that the emissions data being collected is related to its CAAPP permit appeal in docket PCB 13-62, and that the issues in that appeal are different from this docket. ABC may file a motion with respect to this issue. Petitioner agreed to file a deadline waiver until at least August 21, 2014.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:30 a.m. on April 7, 2014. The status conference shall be initiated by the petitioner.

The decision deadline is May 15, 2014.

IT IS SO ORDERED.
