

Board Adopts Amendments to Waste Hauling Regulations

On July 12, 2012, the Board adopted amendments to the Board's solid waste and special waste hauling regulations. On October 28, 2011, the Illinois Environmental Protection Agency (IEPA) filed the proposal, which was docketed as In the Matter of: Proposed Amendments to Nonhazardous Special Waste Hauling and the Uniform Program: (35 Ill. Adm. Code 809), (R12-13).

The amendments are intended to implement Public Act 97-220, which includes provisions amending Sections 21 and 22.2(1) and (1-5) of the Environmental Protection Act to remove Illinois from the Uniform State Hazardous Material Transportation Registration and Permit Program (Uniform Program).

The Board received no public comments on its first-notice proposal. The Joint Committee on Administrative Rules, on July 10, 2012, issued its certificate of no objection.
