

## POLLUTION CONTROL BOARD

## NOTICE OF PROPOSED AMENDMENT

- 1) Heading of the Part: Pretreatment Programs
- 2) Code Citation: 35 Ill. Adm. Code 310
- 3) Section Number: 310.107                      Proposed Action: Amendment
- 4) Statutory Authority: 415 ILCS 5/7.2, 13, 13.3, and 27
- 5) A Complete Description of the Subjects and Issues Involved: The following briefly describes the subjects and issues involved in the docket R15-13 rulemaking. A comprehensive description is contained in the Board's opinion and order of April 2, 2015, proposing amendment in docket R15-13, which opinion and order is available from the address below.

This proceeding updates the Illinois wastewater pretreatment rules to correspond with amendments adopted by the United States Environmental Protection Agency (USEPA) that appeared in the Federal Register during a single update period. The docket and time period that is involved in this proceeding is the following:

R15-13            Federal wastewater pretreatment amendments that occurred during the period July 1, 2014 through December 31, 2014.

During this update period, USEPA did not amend the federal wastewater pretreatment requirements in any way. Rather, USEPA amended a Clean Water Act regulation that is incorporated by reference in 35 Ill. Adm. Code 310.107:

August 19, 2014  
(79 Fed. Reg. 49001)

USEPA revised the analytical methods provisions of 40 CFR 136 to require the use of a "sufficiently sensitive" analytical method for completing NPDES permit applications and for analyses of pollutants and pollutant parameters under an NPDES permit.

While the amendments do not directly relate to wastewater pretreatment, the amendments to 40 CFR 136 affected a segment of the NPDES requirements that is incorporated by reference in the Illinois wastewater pretreatment requirements. Thus, Board action is necessary to update the incorporation by reference in order to ensure that the Illinois wastewater pretreatment regulations require use of a "sufficiently sensitive" analytical method for parameter analyses and remain consistent with federal requirements.

## POLLUTION CONTROL BOARD

## NOTICE OF PROPOSED AMENDMENT

The amendments update the incorporation by reference to 40 CFR 136 so that it includes the USEPA amendments of August 19, 2014. The Board has included a limited number of corrections and clarifying amendments that are not directly derived from the instant federal amendments. Principally, the Board added an incorporation by reference to tables II and III in appendix D to 40 CFR 122 for definition of "toxic pollutant." The incorporation by reference to these federal provisions appears in in 35 Ill. Adm. Code 307.1005. The Board wishes to locate all general incorporations by reference to appear in the centralized listing in Section 310.107. At a future time, the Board will remove the incorporation by reference from Section 307.1005.

A table appears in the Board's opinion and order of April 2, 2015 in docket R15-13 that list numerous corrections and amendments that are not based on current federal amendments. The tables contain deviations from the literal text of the federal amendments underlying these amendments, as well as corrections and clarifications that the Board made in the base text involved. Persons interested in the details of those corrections and amendments should refer to the April 2, 2015 opinion and order in docket R15-13.

Section 13.3 of the Environmental Protection Act [415 ILCS 5/13.3] provides that Section 5-35 of the Administrative Procedure Act [5 ILCS 100/5-35] does not apply to this rulemaking. Because this rulemaking is not subject to Section 5-35 of the APA, it is not subject to First Notice or to Second Notice review by the Joint Committee on Administrative Rules (JCAR).

- 6) Published studies or reports, and sources of underlying data, used to compose this rulemaking: None
- 7) Will this proposed rulemaking replace any emergency rule currently in effect? No
- 8) Does this rulemaking contain an automatic repeal date? No
- 9) Does this proposed rulemaking contain incorporations by reference? Yes
- 10) Statement of Statewide Policy Objectives: This proposed amendment do not create or enlarge a State mandate, as defined in Section 3(b) of the State Mandates Act. [30 ILCS 805/3(b) (2012)].
- 11) Are there any other rulemakings pending on this Part? No
