

ILLINOIS POLLUTION CONTROL BOARD  
July 23, 2015

IN THE MATTER OF: )  
)  
RCRA SUBTITLE C UPDATE, USEPA ) R15-11  
AMENDMENTS (July 1, 2014 through ) (Identical-in-Substance Rulemaking -  
December 31, 2014) ) Land)

Proposed Rule. Dismissal Order.

ORDER OF THE BOARD (by J.A. Burke):

Sections 7.2 and 22.4(a) of the Environmental Protection Act (Act) (415 ILCS 5/7.2 and 22.4(a) (2012)) require the Board to adopt regulations that are “identical in substance” to hazardous waste regulations adopted by the USEPA. These USEPA rules implement Subtitle C of the federal Resource Conservation and Recovery Act of 1976 (RCRA Subtitle C) (42 U.S.C. §§ 6921 *et seq.* (2011)). USEPA has codified the federal hazardous waste rules as 40 C.F.R. 260 through 279.

The Board reserved this docket for USEPA amendments during the period from July 1, 2014 through December 31, 2014. During that time period, USEPA took no action with regard to any provision of 40 C.F.R. 260 through 279. Therefore, no action is necessary, and the Board dismisses this docket.

The Board delayed dismissal of this reserved docket until now to allow for possible expedited consideration of significant amendments that USEPA adopted on January 13, 2015. Such expedited consideration did not prove either necessary or desirable.

IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 23, 2015, by a vote of 5-0.

---

John T. Therriault, Clerk  
Illinois Pollution Control Board
