ORDER OF THE BOARD (by C.K. Zalewski):

On July 23, 2015, Clinton Landfill Inc. (CLI) and the Illinois Environmental Protection Agency (Agency) filed a joint motion to extend stay (Mot.). The parties state that “[s]ettlement negotiations between CLI and the Agency are continuing. If these negotiations are successfully concluded, CLI will most likely dismiss the Consolidated Case.” Mot. at 1. They continue that, “[b]y September 30, 2015, the parties reasonably anticipate that settlement negotiations will most likely have concluded, either successfully or not.” *Id.* at 2.

Section 101.514(a) of the Board’s procedural rules provides:

Motions to stay a proceeding must be directed to the Board and must be accompanied by sufficient information detailing why a stay is needed, and in decision deadline proceedings, by a waiver of any decision deadline. 35 Ill. Adm. Code 101.514(a).

In addition, the Board’s rules demand that the parties file a status report at the close of any stay granted by the Board. 35 Ill. Adm. Code 101.514(b).

CLI and the Agency have indicated that they are engaged in settlement discussions that may lead to dismissal of the consolidated cases. The parties have also waived the decision deadline to accommodate the requested stay in the already consolidated docket. Therefore, the Board grants the joint motion to stay the consolidated cases. The stay will be lifted on September 30, 2015, at which time the parties must provide the Board with a status.

IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 6, 2015, by a vote of 5-0.

A handwritten signature in black ink that reads "John T. Therriault". The signature is written in a cursive style with a long horizontal flourish extending to the right.

John T. Therriault, Clerk
