)
PROCEDURAL RULES AMENDMENTS:) R15-20
PROPOSED AMENDMENTS TO 35 ILL.) (Rulemaking - Procedural)
ADM. CODE 101, 103, 104, 106, 108)

Adopted Rule. Final Order.

OPINION AND ORDER OF THE BOARD (by J.A. Burke):

The Board today adopts amendments to its procedural rules for out-of-state attorneys, service of filings, variance notice, and administrative citations. These amendments are to Parts 101, 103, 104, 106 and 108 of the Board's procedural rules in Title 35 of the Illinois Administrative Code. Part 101 contains the general rules that apply to all Board proceedings. Part 103 contains the Board's procedural rules on enforcement. Part 104 contains the Board's procedural rules for regulatory relief mechanisms, including variances. Part 106 contains procedural rules for proceedings pursuant to specific rules or statutory provisions. Part 108 contains procedural rules for administrative citations filed before the Board.

The Board adopted a first notice opinion and order on February 19, 2015. First notice of these amendments was published in the *Illinois Register* on March 6, 2015 (39 Ill. Reg. 3276 (Mar. 6, 2015)). The Board received one public comment, from the Illinois Environmental Protection Agency (Agency). Based on the Agency's public comment and legislative amendments to the Illinois Environmental Protection Act (Act) (415 ILCS 5 (2014)), the Board made substantive changes to its proposed amendments. The Board therefore adopted a second first-notice opinion and order on May 7, 2015, that was published in the *Illinois Register* on June 5, 2015 (39 Ill. Reg. 7791 (June 5, 2015)). The amendments also included changes based on suggestions from the Joint Committee on Administrative Rules (JCAR).

The Board's second first-notice opinion and order includes a detailed section-by-section summary of the rule amendments. Rather than repeat that summary here, the Board recommends that any reader wishing to revisit this summary consult the second first-notice opinion. *See Procedural Rules Amendments: Proposed Amendments to 35 Ill. Adm. Code 101, 103, 104, 106, 108, R15-20 (May 7, 2015)*.

The Board did not receive a request for a public hearing and no public hearing was held. The Board adopted a second notice opinion and order on July 23, 2015. The Board made non-substantive amendments to its proposal at second notice, based on a comment from the Agency and recommendations from JCAR.

JCAR issued a certificate of no objection at its meeting on August 11, 2015. The order following this opinion therefore directs the Clerk of the Board to provide for publication of the adopted rules in the *Illinois Register*.

DISCUSSION

At second notice, JCAR proposed non-substantive amendments to the proposed rules. Specifically, JCAR recommended removing abbreviations for IDOT (Illinois Department of Transportation) and USEPA (United States Environmental Protection Agency) in 35 Ill. Adm. Code 101.304(g). The Board accepts and includes JCAR's recommendation in the adopted amendments.

CONCLUSION

The Board adopts amendments to Parts 101, 103, 104, 106, and 108 of its procedural rules. 35 Ill. Adm. Code 101, 103, 104, 106, 108. The amendments include JCAR's non-substantive proposed changes.

ORDER

The Board directs the Clerk to submit the following adopted amendments to the Secretary of State for publication in the *Illinois Register*. Proposed additions are underlined, and proposed deletions appear stricken.

BOARD NOTE: The Board notes that all docket numbers consist of letter(s) followed by two numbers. The first two digit number is the fiscal year the matter was filed. Then the second number is the sequential number for that type of filing the Board has received that year. Persons making filings are not responsible for the Board docket number on the original filing. The Clerk of the Board will assign the appropriate docket number when the matter is filed. All filings in a matter that has been assigned a docket number should contain a docket number located as indicated on the examples above. The Board will also be designating its opinion and orders with the type of case and media involved in the matter. Where the above examples have the type of case ~~preceded~~ followed by "X", the Board will, for example if the case is dealing with a variance from certain water regulations, put the media, water, after variance to become "Variance-Water". Again, persons making filings need not place this on original filings. However, all filings in a matter that has been assigned the media should indicate that media in the location as in the above examples. Where there are specific procedural rules developed for specific types of cases, as in a "UST Appeal", persons making filings should follow those examples.
