OPINION AND ORDER OF THE BOARD (by J.A. Burke):

On July 8, 2015, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a two-count complaint against the City of Toulon (respondent). The complaint concerns respondent’s wastewater treatment plant located on Rural Route #1 in Toulon, Stark County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties’ stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2014)), the Attorney General may bring actions before the Board on behalf of the People to enforce Illinois’ environmental requirements. *See* 415 ILCS 5/31 (2014); 35 Ill. Adm. Code 103. In this case, the People allege that respondent violated Sections 12(a) and 12(f) of the Act (415 ILCS 5/12(a), (f) (2014)) and Section 305.102(a) and 305.102(b) of the Board’s regulations (35 Ill. Adm. Code 305.102(a), (b)). According to the complaint, respondent violated these provisions by failing to timely submit sludge management, discharge monitoring, and annual fiscal reports that were required under the terms of its National Pollutant Discharge Elimination System permit.

On July 8, 2015, simultaneously with the People’s complaint, the People and respondent filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2014)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2014)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Stark County News* on July 30, 2015. The Board did not receive any requests for hearing. The Board grants the parties’ request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2014); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board’s procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of respondent’s operations. Section 103.302 also requires that the parties stipulate to facts

called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2014)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Respondent admits the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2014)), which may mitigate or aggravate the civil penalty amount. Respondent agrees to pay a civil penalty of \$3,888. The People and respondent have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
