ORDER OF THE BOARD (by J.A. Burke):

On September 23, 2015, the parties timely filed a joint notice to extend the 35-day period within which Rabi Management, Inc. (petitioner), may appeal an August 19, 2015 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2014); 35 Ill. Adm. Code 101.300(b), 105.206(c), 105.208(a), (c). In the determination, the Agency voided a No Further Remediation (NFR) letter for failure to maintain or install an engineered barrier to inhibit the inhalation and ingestion of the contaminated media as outlined in the NFR letter for petitioner's facility located at 8721 South Cottage Grove in Chicago, Cook County.

The Board extends the appeal period until December 24, 2015, as the parties request. *See* 415 ILCS 5/40(a)(1) (2014); 35 Ill. Adm. Code 105.208(a). If petitioner fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Don A. Brown, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 1, 2015, by a vote of 5-0.

Don A. Brown, Assistant Clerk
Illinois Pollution Control Board
