1. On January 21, 2016, the Board issued an order requiring the Petitioner, United States Steel Corporation ("U.S. Steel"), to file additional information describing the progress the parties have made toward resolving this appeal over the prior year, a timeline of steps on behalf of the Illinois Environmental Protection Agency ("Illinois IEPA") and U.S. Steel to resolve this appeal, the status of constructing the baghouse at U.S. Steel's Granite City facility, and discussion of how these items impact the companion appeal, PCB 13-53.

2. The January 21, 2016 order required U.S. Steel to file this additional information by February 4, 2016, and provided that the Illinois EPA may file a response by February 11, 2016.
