OPINION AND ORDER OF THE BOARD (by D. Glosser):

For the reasons below, the Board accepts the proposed settlement and dismissal of this administrative citation enforcement action. Illinois Environmental Protection Agency (Agency) timely filed an administrative citation on May 6, 2015, against John E. Laverdiere and Laverdiere Construction, Inc. (respondents). The Agency alleged that on March 30, 2015, respondents violated Sections 21(p)(1), (4), and (7) of the Environmental Protection Act (Act) (415 ILCS 5/21(p)(1), (4), and (7) (2014)) by allowing the open dumping of waste resulting in: 1) litter 2) deposition of waste in standing or flowing waters; and 3) deposition of general construction or demolition debris or clean construction or demolition debris at the McDonough County site. The violation allegedly took place at respondents' facility located at 800 South Ward Street in Macomb, McDonough County. The property is commonly known to the Illinois Environmental Protection Agency as the "Laverdiere, John E." site and is designated with Site Code No. 1090355111.

Respondents timely filed a petition to contest the administrative citation, which the Board accepted on June 8, 2015. On June 7, 2016, the parties filed a "stipulation of settlement and dismissal of respondent's petition for administrative review." Under its terms, respondents admit that it violated Section 21(p)(1) of the Act (415 ILCS 5/21(p)(1) (2014)) by allowing the open dumping of waste resulting in litter, and agrees to pay the statutory civil penalty of \$1,500 for these violations. Stipulation at 4(a). Respondents also agree to the dismissal of its petition contesting the administrative citation. *Id.* at 4(f). The stipulation further states that the waste that was the subject of the administrative citation has been removed and properly disposed. *Id.* at 4(c). In addition, the Agency agrees not to refer the violations that are the subject of the administrative citation to the Office of the Illinois Attorney General or any other prosecuting authority to initiate a civil enforcement action. *Id.* at 4(e).

The Board accepts the stipulation and proposal for settlement. Under Section 31.1(d) of the Act (415 ILCS 5/31.1(d) (2014)), the Board therefore finds that respondents violated Section 21(p)(1) of the Act (415 ILCS 5/21(p)(1) (2014)). Section 42(b)(4-5) of the Act (415 ILCS

5/42(b)(4-5) (2014)) establishes a civil penalty of \$1,500 for this violation. The Board accordingly assesses a civil penalty of \$1,500. To effectuate the parties' intent that respondents pay a total civil penalty of \$1,500, the Board dismisses the alleged violations of Sections 21(p)(4) and (7) of the Act (415 ILCS 5/21(p)(4), and (7) (2014)).

This opinion constitutes the Board's findings of fact and conclusions of law.
