HEARING OFFICER ORDER

On August 16, 2016, the parties participated in a telephone status conference with the hearing officer. The risk assessment was expected to be complete in June, but the contractor is having problems with air modeling. Petitioner has given the contractor a deadline of October 5, 2016 to submit the risk assessment to respondent. Once completed, settlement discussions will resume. If the risk assessment is not completed before the next status call, a hearing may be set.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:30 a.m. on October 6, 2016. The status conference shall be initiated by the petitioner.

The parties consent to electronic service, and petitioner has filed an open waiver of the decision deadline.

IT IS SO ORDERED.
