**HEARING OFFICER ORDER**

On September 7, 2016, the parties participated in a telephone status conference with the hearing officer. IEPA inspected the facility several weeks ago, but it may take several months for the lab to analyze the water sample results due to a backlog. When the parties receive the lab results, settlement discussions will begin. The People's oral motion to stay the case through December 6, 2016 is granted as pertains to the Board's ruling on outstanding motions.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:30 a.m. on December 6, 2016. The status conference shall be initiated by the People.

The attorneys on record have consented to electronic service. CT Corporation Systems will continue to receive service by mail.

IT IS SO ORDERED.
