HEARING OFFICER ORDER

On September 8, 2016, all parties participated in a telephonic status conference with the hearing officer. The petitioner's attorney stated that the Illinois Environmental Protection Agency (Agency) is in the process of drafting a permit and is hopeful the draft will be circulated soon.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including March 16, 2017. To that end, it was agreed that the Agency's record in this appeal is now due on or before December 22, 2016.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 8, 2016, at 11:00 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.

A handwritten signature in black ink, reading "Bradley P. Halloran", is written over a solid horizontal line.
