HEARING OFFICER ORDER

A telephonic status conference was scheduled for November 30, 2016. The respondent did not appear. At the last status conference, respondent stated that he was going to review the stipulation and proposal for settlement and promptly forward a signed stipulation to the complainant. That was twenty-seven days ago. Complainant has not received the stipulation. Complainant requested another status conference and schedule a hearing if need be.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on December 21, 2016, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the status will be cancelled without further notice.

IT IS SO ORDERED.
