MOTION FOR EXTENSION OF TIME TO FILE ADMINISTRATIVE RECORD

NOW COMES the Respondent, ILLINOIS ENVIRONMENTAL PROTECTION AGENCY, by and through its attorney, Special Assistant Attorney General Scott B. Sievers, and, pursuant to 35 Ill. Adm. Code 105.116(a), for Respondent's Motion for Extension of Time to File Administrative Record states the following:

1. On March 23, 2017, this honorable Board ordered the Respondent to "file the entire record of its determination by March 31, 2017."
2. The process of compiling the administrative record requires staff within Illinois EPA's Leaking Underground Storage Tank section to search for the requisite documentation, organize it chronologically, then provide it to the Division of Legal Counsel for formatting for filing. This includes the preparation of the Certificate of Record on Appeal. Before this certificate is filed, a draft is sent to the LUST section project manager to review alongside the compiled administrative record. If it then meets with his approval, formatting of the administrative record is finalized, the project manager signs the certificate, and the certificate is filed with the Board along with the administrative record.

3. In the instant action, the administrative record has been compiled and the Certificate of Record on Appeal drafted, but the project manager is unexpectedly absent and unable to review these materials for their approval and signing so as to allow them to be finalized and filed in compliance with this Board's Order.

4. To allow for the additional time necessary for the administrative record to be properly formatted, reviewed, and certified, the Respondent seeks a five (5) day extension of the time to file the administrative record in this action.

WHEREFORE, the Respondent, ILLINOIS ENVIRONMENTAL PROTECTION AGENCY, prays that the honorable Hearing Officer ALLOW the Respondent's MOTION FOR EXTENSION OF TIME TO FILE ADMINISTRATIVE RECORD and extend the time for the Respondent to file the administrative record in this action by five (5) days.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL
PROTECTION AGENCY,
