**HEARING OFFICER ORDER**

On June 22, 2017, all parties participated in a telephonic status conference with the hearing officer. The petitioners stated that it appears the final draft permits appear consistent and acceptable. The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 20, 2017, at 9:30 a.m. The telephonic conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to dismiss is filed prior to the next status conference, the conference will be cancelled without further notice.
