Subject: [External] For your list of things to update

Just noticed that Part 807.700(b)(1) (<http://www.ilga.gov/commission/jcar/admincode/035/035008070G07000R.html>) alludes to the EPA's Industrial Materials Exchange Service, which has been discontinued (and statutorily authority for the program repealed by PA 100-621). It's in a "such as..." list, so it shouldn't be a crucial change, and you've probably found this already anyway, but I wanted to flag it for later review just in case.
