HEARING OFFICER ORDER

The prehearing conference scheduled for October 22, 2018, at 2 p.m. is cancelled and rescheduled for November 8, 2018 at 11:00 a.m. On October 4, 2018, the Board proposed its own revised amendment to the Multi-Pollutant Standard (MPS) based on the testimony and comments the Board received since first-notice publication. The Board found that a second first notice will maximize the opportunity for public comment. The Board anticipates holding one additional hearing in this proceeding.

On October 12, 2018, Vistra Energy Corporation (Vistra) filed a motion asking for expedited consideration of the second-first notice. Responses to that motion are not due until October 26, 2018. *See* 35 Ill. Adm. Code 101.500. The Board's first scheduled meeting after October 26, 2018, is November 1, 2018. To allow for a complete review and consideration of the motion and responses, the prehearing conference of October 22, 2018, is cancelled and rescheduled for November 8, 2018 at 11:00 a.m.

To establish hearing locations and dates, potential deadlines for prefilings of testimony and questions, all participants interested may attend a prehearing conference on November 8, 2018 at 11:00 a.m. The prehearing conference will also be used to address any procedural issues the participants raise. Participants may attend by going in person to the Board's Chicago or Springfield office or by calling 1-888-494-4032 and entering the pass code 7139237824#.

IT IS SO ORDERED.
