HEARING OFFICER ORDER

On November 27, 2018, the Board held the first hearing in this proceeding. During the hearing, Illinois Environmental Protection Agency (Agency) responded to some of the pre-filed and follow up questions of the Board and other participants but indicated that it will file response to other questions in its post-hearing comments by January 25, 2018. To accommodate Agency's schedule, and for the efficiency of the proceeding, the hearing officer and hearing participants agreed to reschedule the second hearing in this proceeding until after the Agency submits its answers. Without Agency's full answers to the questions already raised at the first hearing, the second hearing, currently scheduled for January 15th, would be rendered unproductive.

To establish hearing dates and locations, potential deadlines for pre-filing of testimony and questions, all participants interested may attend a prehearing conference on December 11, 2018, at 10 a.m. The prehearing conference will also be used to address any procedural issues the participants raise. Participants may attend by going in person to the Board's Chicago or Springfield office or by calling 1-888-494-4032 and entering the pass code 7139237824#.

The hearing officer also acknowledges Agency's request, filed on November 29, 2018, that the hearing notice contain specified language required for the Illinois State Implementation Plan revisions. This request will be addressed in the hearing officer order rescheduling the next hearing.

IT IS SO ORDERED.
