IN THE MATTER OF:)
)
AMENDMENTS TO 35 ILL. ADM. CODE) R18-20
225.233, MULTI-POLLUTANT) (Rulemaking - Air)
STANDARDS (MPS))

HEARING OFFICER ORDER

On March 15, 2019, the Illinois Environmental Protection Agency requested an extension of the public comment deadline to March 19, 2019. Also, on March 15, 2019, Dynegy Midwest Generation, LLC, Illinois Power Generating Company, Illinois Power Resources Generation, LLC, and Electric Energy, Inc. (collectively Vistra) indicated they had no objections to the extension.

Section 101.500(d) provides, in part, that: “Unless undue delay or material prejudice would result, neither the Board nor the hearing officer will grant any motion before expiration of the 14 day response period except in deadline driven proceedings where no waiver has been filed.” Because the extension to file asks only for two days after the original deadline, I find that material prejudice may result if a ruling is not made before the 14 day response time expires. The motion for an extension to file public comments until March 19, 2019 is granted.

IT IS SO ORDERED.
