**PETITIONER VILLAGE OF CHANNAHON’S RESPONSE TO
RECOMMENDATION OF ILLINOIS ENVIRONMENTAL PROTECTION AGENCY**

Pursuant to 35 Ill. Adm. Code 104.220, Petitioner Village of Channahon (“Village”) submits the following response to the Recommendation of Illinois Environmental Protection Agency (“Recommendation”) to the Illinois Pollution Control Board (“Board”) regarding the Village’s Petition for Chloride Time-Limited Water Quality Standard for the Defined Chicago Area Waterway System/Des Plaines River Watershed.

In accordance with the requirements of 35 Ill. Adm. Code 104.216, the Illinois Environmental Protection Agency (Illinois EPA”) filed its Recommendation on April 5, 2019.

The Village agrees with the response submitted by the Village of Orland Park. Additionally, with respect the tarping of trucks referenced in “Proposed BMP Paragraph 4” on page 17 of the Recommendations, the Village seeks clarification as to whether tarps would be required on salt spreading trucks while they are in the process of spreading salt, which would appear to be an unnecessary requirement.

The Village also had an opportunity to review the Metropolitan Water Reclamation District of Greater Chicago’s response prior to filing and agrees with its comments.

The Village appreciates the opportunity to respond to the IEPA's Recommendations.
