**HEARING OFFICER ORDER**

On April 30, 2019, all parties participated in a telephonic status conference with the hearing officer. The respondent’s attorney stated that a groundwater well on site is in the process of being sampled. With the sampling information, the consultants will draft a groundwater monitoring proposal for the Illinois Environmental Protection Agency’s review.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 27, 2019, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
