HEARING OFFICER ORDER

A telephonic status conference was scheduled for September 19, 2019. However, the parties agreed that since the modified permit has not yet been issued because the parties need more time to incorporate comments and information prior to the issuance, the status conference should be continued.

By agreement, the record in this appeal is now due on November 15, 2019. The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including January 30, 2020.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 24, 2019, at 9:30 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
