STATE OF ILLINOIS
Pollution Control Board

RE: Standards for New Solid Waste Landfills (35 Ill. Adm. Code 811; 42 Ill. Reg. 12807;
R17-14/R17-15/R18-12/R18-31)

Dear Chairman Currie:

In closing the above referenced file, JCAR Staff discovered the following potential issues in the Board's filed rulemaking:

- 811.319(a)(1)(A), 1st sentence: "one year of September 18, 1990" should be "one year after September 18, 1990".
- 811.319(a)(3)(A): "Benzene" appears twice in the list.
- 811.319(a)(3)(A): "1,2,4-Trichlorbenzene" should be "1,2,4-Trichlorobenzene".
- 811.320, closing Board note: Shouldn't this note appear after (b)(3)?
- 811.APPENDIX A, Illustration E, final paragraph: The entire insert should appear over the blank line in the form, or the insert could follow the blank line, as in early provisions in this Appendix.
- 811.APPENDIX C: "Cadmiun" should be "Cadmium"

These issues can be addressed using the Expedited Correction process or the next time PCB amends this Part. If we can be of any assistance in correcting these problems, please contact Jonathan Eastvold of this staff at (217)785-2254.

Sincerely,

A handwritten signature in black ink, appearing to read "Vicki Thomas".

Vicki Thomas
Executive Director
