COMPLAINT

Complainant, PEOPLE OF THE STATE OF ILLINOIS, by KWAME RAOUL, Attorney General of the State of Illinois, complains of Respondent, GDB INTERNATIONAL, INC., a New Jersey corporation, as follows:

<u>COUNT I</u> CONDUCTING A WASTE-STORAGE OPERATION WITHOUT A PERMIT

1. This Count is brought on behalf of the PEOPLE OF THE STATE OF ILLINOIS, by KWAME RAOUL, Attorney General of the State of Illinois, on his own motion and at the request of the Illinois Environmental Protection Agency ("Illinois EPA"), pursuant to Section 31 of the Illinois Environmental Protection Act ("Act"), 415 ILCS 5/31 (2018).

2. The Illinois EPA is an agency of the State of Illinois, created by the Illinois General Assembly in Section 4 of the Act, 415 ILCS 5/4 (2018), and charged, *inter alia*, with the

duty of enforcing the Act in proceedings before the Illinois Pollution Control Board.

3. The Illinois Pollution Control Board ("Board") is an independent board created by the Illinois General Assembly in Section 5 of the Act, 415 ILCS 5/5 (2018), and charged, *inter alia*, with the duty of promulgating standards and regulations under the Act.

4. Respondent GDB International, Inc. ("GDB" or "Respondent"), is a New Jersey corporation. The registered agent for GDB is Illinois Corporation Service Company, 801 Adlai Stevenson Drive, Springfield, Illinois 62703.

5. GDB is a paint recycling business that receives post-consumer paint from household hazardous waste collections, paint manufacturers, and states participating in the "PaintCare" program. GDB additionally receives unsold, unopened paint from large box stores and various paint manufacturers. The paint is recycled and/or relabeled and sold by GDB.

6. GDB operates a warehouse located at 5466 State Route 154, Pinckneyville, Illinois 62274 ("Warehouse").

7. In October of 2016, the Illinois EPA received a complaint regarding GDB's operations.

8. On March 30, 2017, Illinois EPA conducted an inspection of the Warehouse.

9. On March 30, 2017, Illinois EPA observed over 3,000 sixteen-square-foot boxes full of paint. The boxes were not labelled or marked. The Warehouse roof was leaking, causing many of the boxes to become wet and moldy. Most of the boxes were in poor condition and some had collapsed under the weight of being stacked four high. A substantial number of boxes had spilled their contents on the floor.

10. On March 30, 2017, Illinois EPA further observed liquid paint on the floor and leaking from the boxes.

11. Section 3.315 of the Act, 415 ILCS 5/3.315 (2018), provides as follows:

"Person" is any individual, partnership, co-partnership, firm, company, limited liability company, corporation, association, joint stock company, trust, estate, political subdivision, state agency, or any other legal entity, or their legal representative, agent, or assigns.

12. Respondent is a corporation and therefore a "person" as that term is defined in

Section 3.315 of the Act, 415 ILCS 5/3.315 (2018).

13. Section 3.535 of the Act, 415 ILCS 5/3.535 (2018), provides, in pertinent part, as

follows:

"Waste" means any garbage ... or other discarded material, including solid, liquid, semi-solid, or contained gaseous material resulting from industrial, commercial, mining and agricultural operations, and from community activities ...

14. The unlabeled boxes of paint found in poor condition and the liquid paint

observed leaking out of the boxes and onto the floor of the Warehouse on March 30, 2017

constitute "waste" as that term is defined in Section 3.535 of the Act, 415 ILCS 5/3.535 (2018).

15. Section 3.480 of the Act, 415 ILCS 5/3.480 (2018), provides as follows:

"Storage" means the containment of waste, either on a temporary basis or for a period of years, in such a manner as not to constitute disposal.

16. Waste was contained at the Warehouse on a temporary basis in such a manner as

not to constitute disposal. Therefore, "storage" occurred at the Warehouse as that term is defined

in Section 3.480 of the Act, 415 ILCS 5/3.480 (2018).

17. Section 3.105 of the Act, 314 ILCS 5/3.105 (2018), provides as follows:

"Agency" is the Environmental Protection Agency established by this Act.

18. Section 21(d)(1) of the Act, 415 ILCS 5/21(d)(1) (2018), provides, in pertinent

part, as follows:

No person shall:

* * *

(d) Conduct any waste-storage, waste-treatment, or wastedisposal operation:

(1) without a permit granted by the Agency or in violation of any conditions imposed by such permit, . . .

19. Respondent has never been granted a permit from Illinois EPA to conduct a waste-storage operation at the Site.

20. Beginning on or before March 30, 2017, and on dates better known to Respondent, Respondent conducted a waste-storage operation at the Site without a permit granted by Illinois EPA.

21. By conducting a waste-storage operation at the Warehouse without a permit granted by Illinois EPA, Respondent violated Section 21(d)(1) of the Act, 415 ILCS 5/21(d)(1) (2018).

PRAYER FOR RELIEF

WHEREFORE, Complainant, PEOPLE OF THE STATE OF ILLINOIS, respectfully requests that the Board enter an order against Respondent, GDB INTERNATIONAL, INC., a New Jersey corporation:

A. Authorizing a hearing in this matter at which time Respondent will be required to answer the allegations herein;

B. Finding that Respondent has violated Section 21(d)(1) of the Act, 415 ILCS
5/21(d)(1) (2018);

C. Ordering Respondent to cease and desist from any further violations of the Act;

D. Pursuant to Section 42(a) of the Act, 415 ILCS 5/42(a) (2018), imposing upon Respondent a civil penalty of up to \$50,000.00 for each violation of the Act, and an additional civil penalty of \$10,000.00 for each day such violations continued;

E. Ordering Respondent to pay all costs, including expert witness, consultant and

attorney fees, expended by the State in pursuit of this action; and

F. Granting such other relief as the Board may deem appropriate.

part, as follows:

No person shall:

* * *

(d) Conduct any waste-storage, waste-treatment, or wastedisposal operation:

in pertinent part, as follows:

"Solid waste" means waste.

* * *

"Solid waste management" means "waste management"

* * *

"Waste management" means the process of storage, treatment or disposal of waste, not including hauling or transport.

21. The unlabeled boxes of paint found in poor condition and the liquid paint observed leaking out of the boxes and onto the floor of the Warehouse on March 30, 2017 constitute "solid waste," as that term is defined in Section 807.104 of the Board's regulations, 35 Ill. Adm. Code 807.104.

22. As of March 30, 2017, Respondent had never applied for a permit to develop a solid waste management site at the Warehouse.

PRAYER FOR RELIEF

WHEREFORE, Complainant, PEOPLE OF THE STATE OF ILLINOIS, respectfully requests that the Board enter an order against Respondent, GDB INTERNATIONAL, INC., a New Jersey corporation:

STIPULATION AND PROPOSAL FOR SETTLEMENT

Complainant, PEOPLE OF THE STATE OF ILLINOIS, by KWAME RAOUL, Attorney General of the State of Illinois, the Illinois Environmental Protection Agency ("Illinois EPA"), and GDB INTERNATIONAL, INC., a New Jersey corporation ("Respondent") ("Parties to the Stipulation"), have agreed to the making of this Stipulation and Proposal for Settlement ("Stipulation") and submit it to the Illinois Pollution Control Board ("Board") for approval. This stipulation of facts is made and agreed upon for purposes of settlement only and as a factual basis for the Board's approval of this Stipulation and issuance of relief. None of the facts stipulated herein shall be introduced into evidence in any other proceeding regarding the violations of the Illinois Environmental Protection Act ("Act"), 415 ILCS 5/1 *et seq.* (2018), and the Board's Regulations, alleged in the Complaint except as otherwise provided herein. It is the intent of the Parties to the Stipulation that it be a final adjudication of this matter.

I. STATEMENT OF FACTS

A. Parties

1. Contemporaneous with the filing of this Stipulation, a Complaint was filed against Respondent on behalf of the People of the State of Illinois by Kwame Raoul, Attorney General of the State of Illinois, on his own motion and upon the request of the Illinois EPA, pursuant to Section 31 of the Act, 415 ILCS 5/31 (2018), against the Respondent.

The roof of the warehouse was leaking, causing many of the boxes to become wet and moldy. Most of the boxes were in poor condition and some had collapsed under the weight of being stacked four high. Some of the boxes had spilled their contents on the floor, as liquid paint was seen on the floor and leaking from the boxes.

C. Non-Admission of Violations

The Respondent represents that it has entered into this Stipulation and Proposal for Settlement for the purpose of settling and compromising disputed claims without having to incur the expense of contested litigation. By entering into this Stipulation and complying with its terms, the Respondent does not affirmatively admit the allegations of violation alleged in the Complaint, and this Stipulation shall not be interpreted as including such admission.

D. Compliance Activities to Date

On September 17, 2017, the Respondent submitted a Request for Beneficial Use Determination application to Illinois EPA, to authorize recycling of non-waste paint, which Illinois EPA granted. Respondent completed waste determinations on all materials and properly disposed of all hazardous and non-hazardous waste. Respondent has returned to compliance with respect to the violations alleged in the Complaint filed in this matter.

II. APPLICABILITY

This Stipulation shall apply to and be binding upon the Parties to the Stipulation. The Respondent shall not raise as a defense to any enforcement action taken pursuant to this Stipulation the failure of any of its officers, directors, agents, employees or successors or assigns to take such action as shall be required to comply with the provisions of this Stipulation. This Stipulation may be used against the Respondent in any subsequent enforcement action or permit proceeding as proof of a past adjudication of violation of the Act and the Board Regulations for all violations alleged in the Complaint in this matter, for purposes of Sections 39 and 42 of the Act, 415 ILCS 5/39 and 42 (2018).

III. IMPACT ON THE PUBLIC RESULTING FROM ALLEGED NON-COMPLIANCE

Section 33(c) of the Act, 415 ILCS 5/33(c) (2018), provides as follows:

In making its orders and determinations, the Board shall take into consideration all the facts and circumstances bearing upon the reasonableness of the emissions, discharges, or deposits involved including, but not limited to:

- 1. the character and degree of injury to, or interference with the protection of the health, general welfare and physical property of the people;
- 2. the social and economic value of the pollution source;
- 3. the suitability or unsuitability of the pollution source to the area in which it is located, including the question of priority of location in the area involved;
- 4. the technical practicability and economic reasonableness of reducing or eliminating the emissions, discharges or deposits resulting from such pollution source; and

5. any subsequent compliance.

In response to these factors, the Parties to the Stipulation state the following:

1. Human health and the environment were threatened by Respondent's violations.

2. There is social and economic benefit in the operation of Respondent's business.

3. Respondent's business is suitable for the area in which it is operated, so long as it

is operated in compliance with the Act and Board Regulations.

4. Compliance with the Act and Board regulations is both technically practicable

and economically reasonable.

5. Respondent has subsequently complied with the Act and Board Regulations.

IV. CONSIDERATION OF SECTION 42(h) FACTORS

Section 42(h) of the Act, 415 ILCS 5/42(h) (2018), provides as follows:

In determining the appropriate civil penalty to be imposed under ... this Section, the Board is authorized to consider any matters of record in mitigation or aggravation of penalty, including but not limited to the following factors:

- 1. the duration and gravity of the violation;
- 2. the presence or absence of due diligence on the part of the respondent in attempting to comply with requirements of this Act and regulations thereunder or to secure relief therefrom as provided by this Act;
- 3. any economic benefits accrued by the respondent because of delay in compliance with requirements, in which case the economic benefits shall be determined by the lowest cost alternative for achieving compliance;
- 4. the amount of monetary penalty which will serve to deter further violations by the respondent and to otherwise aid in enhancing voluntary compliance with this Act by the respondent and other persons similarly subject to the Act;
- 5. the number, proximity in time, and gravity of previously adjudicated violations of this Act by the respondent;
- 6. whether the respondent voluntarily self-disclosed, in accordance with subsection i of this Section, the non-compliance to the Agency;

- 7. whether the respondent has agreed to undertake a "supplemental environmental project," which means an environmentally beneficial project that a respondent agrees to undertake in settlement of an enforcement action brought under this Act, but which the respondent is not otherwise legally required to perform; and
- 8. whether the respondent has successfully completed a Compliance Commitment Agreement under subsection (a) of Section 31 of this Act to remedy the violations that are the subject of the complaint.

In response to these factors, the Parties to the Stipulation state as follows:

1. Respondent improperly stored waste and did not conduct a proper waste determination for potentially hazardous waste. The violations were first observed by the State at Illinois EPA's inspection on March 30, 2017 and all violations were resolved by March 15, 2018.

2. Respondent was relatively diligent in attempting to come back into compliance with the Act, Board regulations and applicable federal regulations, once the Illinois EPA notified it of its noncompliance.

3. The civil penalty takes into account any economic benefit realized by the Respondent as a result of avoided or delayed compliance.

4. Complainant has determined, based upon the specific facts of this matter, that a penalty of Twenty-Two Thousand Dollars (\$22,000.00) will serve to deter further violations and aid in future voluntary compliance with the Act and Board regulations.

5. To Complainant's knowledge, Respondent has no previously adjudicated violations of the Act.

6. Self-disclosure is not at issue in this matter.

7. The settlement of this matter does not include a supplemental environmental project.

8. A Compliance Commitment Agreement was not at issue in this matter.

V. TERMS OF SETTLEMENT

A. Penalty Payment

1. The Respondent shall pay a civil penalty in the sum of Twenty-Two Thousand Dollars (\$22,000.00) within thirty (30) calendar days from the date the Board adopts and accepts this Stipulation.

B. Interest and Default

1. If the Respondent fails to make any payment required by this Stipulation on or before the date upon which the payment is due, the Respondent shall be in default and the remaining unpaid balance of the penalty, plus any accrued interest, shall be due and owing immediately. In the event of default, the Complainant shall be entitled to reasonable costs of collection, including reasonable attorney's fees.

Where partial payment is made on any penalty amount that is due, such partial payment shall be first applied to any interest on unpaid penalties then owing.

C. Payment Procedures

All payments required by this Stipulation shall be made by certified check or money order payable to the Illinois EPA for deposit into the Environmental Protection Trust Fund ("EPTF"). Payments shall be sent by first class mail and delivered to:

2. The Respondent shall cease and desist from future violations of the Act and Board Regulations that were the subject matter of the Complaint.

E. Release from Liability

In consideration of the Respondent's payment of the \$22,000.00 penalty and its commitment to cease and desist as contained in Section V.D.2 above, and upon the Board's approval of this Stipulation, the Complainant releases, waives and discharges the Respondent from any further liability or penalties for the violations of the Act and Board Regulations that were the subject matter of the Complaint herein. The release set forth above does not extend to any matters other than those expressly specified in Complainant's Complaint filed contemporaneously with this Stipulation.
