HEARING OFFICER ORDER

On November 26, 2019, the parties were scheduled to participate in a telephone status conference with the hearing officer. Respondent did not appear, and complainants requested a discovery schedule. On December 6, 2019, respondent's attorney reported that he had prepared a proposed settlement agreement for complainants' consideration. Before the next status conference, complainants should review the proposal, and send their comments to respondent's attorney. If settlement does not appear likely by the next status conference, a discovery schedule will be set.

The parties are directed to participate in a telephone status conference with the hearing officer at 3:30 p.m. on January 6, 2020. The status conference shall be initiated by the respondent.

IT IS SO ORDERED.
