ORDER OF THE BOARD (by A. Palivos):

On December 13, 2019, the Illinois Environmental Protection Agency (Agency) filed a recommendation on whether the Board should certify specified facilities of Frankenreider Beef Facility–Annawan (Frankenreider) as “pollution control facilities” for preferential tax treatment under the Property Tax Code. *See* 35 ILCS 200/11-5 *et seq.* (2018); 35 Ill. Adm. Code 125. Frankenreider’s beef cattle facility is located 27726 N 2050 Avenue in Annawan, Henry County. The Agency recommends that the Board issue a tax certificate for Frankenreider’s concrete livestock waste pit and concrete slab used for livestock operations, but deny a tax certificate for the roof structure consisting of steel frame trusses, beams, support walls, and concrete columns.

If Frankenreider wishes to contest the Agency’s recommendation regarding the roof structure, Frankenreider must file a petition to contest with the Clerk within 35 days after the Agency served the recommendation on Frankenreider. *See* 35 Ill. Adm. Code 125.206(a). If Frankenreider fails to timely file a petition, the Board may deny tax certification for the roof structure based on the Agency’s recommendation.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on December 19, 2019, by a vote of 4-0.

Don A. Brown, Clerk
Illinois Pollution Control Board
