HEARING OFFICER ORDER

On February 25, 2020, all parties participated in a telephonic status conference with the hearing officer. Discussions centered on respondent's recently filed motion to stay the proceedings due to the upcoming Coal Combustion Residuals Surface Impoundment Rules (CCR) that will affect respondent's remediation. Complainants stated that they will timely file a response.

Over respondent's objection, I directed the parties to file a proposed discovery schedule by March 9, 2020. The discovery schedule may have to be revisited in the future because the Board's decision on respondent's motion to stay may impact discovery.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on March 17, 2020, at 11:30 a.m. The telephonic status conference must be initiated by the complainants, but each party is nonetheless responsible for its on appearance.

IT IS SO ORDERED.
