HEARING OFFICER ORDER

On April 16, 2020, all parties participated in a telephonic status conference with the hearing officer. The parties stated that a pump station was shut down which in turn changed outfalls. The parties are working on a new draft permit which will then go to public notice.

To that end, the record is now due to be filed on or before August 3, 2020. The petitioner is to file an additional waiver of the statutory decision deadline to December 2020.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 16, 2020, at 9:30 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
