HEARING OFFICER ORDER

On May 4, 2020, the parties participated in a telephone status conference with the hearing officer. Counsel for respondent said that discovery responses would be served by the end of the month. As the responses were due by March 6, 2020, complainants strongly object to the delay. However, the hearing for this case would have been delayed regardless due to the pandemic. Within the next few months, the Board will begin conducting hearings via Webex. When this is implemented, a hearing may be scheduled for this case.

The parties are directed to participate in a telephone status conference with the hearing officer at 3:30 p.m. on June 3, 2020. The status conference shall be initiated by the respondent.

IT IS SO ORDERED.
