ORDER OF THE BOARD (by B. K. Carter)

On May 4, 2020, Petitioner Board of Trustees of Eastern University filed a motion to voluntarily dismiss (Mot.) its Clean Air Act Permit Program (CAAPP) permit appeal. This appeal concerns the Board of Trustees' steam electric generating, gas-fired boiler, and gasoline storage tank facilities at Charleston, Coles County. On April 24, 2020, a Federally Enforceable State Operating Permit ("FESOP") was issued to Petitioner, which resolves all issues but is not effective until this appeal is dismissed. Motion requests that the Board dismiss this permit appeal and close the docket. Counsel for Respondent does not object to the granting of this motion. The Board grants the motion, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on May 21, 2020, by a vote of 4-0.
