**HEARING OFFICER ORDER**

On June 9, the parties reported that the primary issue remaining is calculating an annual Hg emission limit. The parties have exchanged information and comments, and are close to arriving at an annual Hg emission limit. The Agency expects to get back to Veolia with its thoughts in the near future. Both sides are hopeful that an agreement will be achieved based upon the technical information presented.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on August 18, 2020. The status conference shall be initiated by the petitioner.

Petitioner has filed an open waiver of the decision deadline.
