OPINION AND ORDER OF THE BOARD (by B.F. Currie)

On September 9, 2019, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against Erickson Steel Company, Inc. (Erickson). The complaint concerns Erickson's metal fabrication business at 715 South Second Street, Pekin, Tazewell County. The parties now seek to settle without a hearing. For the reasons below, the Board directs the Clerk to provide public notice of the parties' stipulation, proposed settlement, and request for relief from the hearing requirement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2018)), the Attorney General and the State's Attorneys may bring actions before the Board to enforce Illinois' environmental requirements on behalf of the People. See 415 ILCS 5/31 (2018); 35 Ill. Adm. Code 103. In this case, the People allege that Erickson violated 415 ILCS 5/9(c) (2018) by using a 55-gallon drum for open burning of waste.

On May 27, 2020, the People and Erickson filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2018)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2018)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. See 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Pekin Daily Times* on June 20, 2020. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. See 415 ILCS 5/31(c)(2) (2018); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Erickson's operations. Section 103.302 also requires that the parties stipulate to facts

called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2018)), which bears on the reasonableness of the circumstances surrounding the alleged violation. Erickson admits the alleged violation. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2018)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, Erickson agrees to pay a civil penalty of \$3,000.00 within 30 days after the date of this order. The People and Erickson have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
