

BEFORE THE ILLINOIS POLLUTION CONTROL BOARD

DIANA LEINDL and KEVIN LEINDL      Complainant

v.    PCB 19-59    Citizens Enforcement – Noise

HARTSBURG GRAIN CO.                  Respondent

Request for Supplemental Discovery Provided by Complainant

1. ~100 photos depicting the amount of red eye, dust and corn kernels that is coming from the grain bins.
2. Photos of the socks used for loading of trucks from the various bins.
3. One video of the red eye coming out of the bin resembling snow as it falls on our property.
4. Screen shots of the decibel readings of middle grain bin while it is operating.

This was provided as per a supplemental discovery request verbally requested Thursday 8/15/2020.
