On October 16, 2020, all parties participated in a telephonic status conference with the hearing officer. The petitioner gave an oral summary of the status and followed-up with a written status on October 22, 2020. Petitioner reports that it is still discussing with the respondent its application with the respondent for a new CAAPP permit reflecting the current operations at this facility.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including April 30, 2021.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 3, 2020, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance.
