HEARING OFFICER ORDER

On October 16, 2020, all parties participated in a telephonic status conference with the hearing officer. The petitioner gave an oral summary of the status and followed-up with a written summary on October 22, 2020. The petitioner reports that the Agency issued a reopener CAAPP permit on December 31, 2019, and that petitioner plans to dismiss after Petition to object to the reopener deadline passes and that no appeal is filed concerning USEPA’s denial of certain citizens groups’ petition to object.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including April 30, 2021.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 3, 2020, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
