Page 5 1 THE COURT REPORTER: That's me. I am the court 2 reporter, M-a-r-z-u-l-l-o. 3 HEARING OFFICER McCAMBRIDGE: Very good. Ι 4 wasn't aware that was you. 5 Those are all the names that I see on the 6 screen. Is there anyone else that wishes to 7 identify, for the record, that I don't see? 8 Okay, seeing none, I'll continue. As I 9 said, this is the R21-1 NAAOS Update for the First Half of 2020. 10 During the first half of the year, USEPA 11 12 undertook a couple of actions that the Board needs 13 to attend to and one action that the Board does not. 14 On February 3rd, at 85 Fed. Reg. 5958, 15 USEPA approved a new reference method for sulfer dioxide in ambient air. On May 7th, at 85 Fed. Reg. 16 17 27221, USEPA designated a new equivalent method for 18 nitrogen dioxide in ambient air. The Board has to take action on those two, 19 incorporating those two methods into the Illinois 20 rules. May 26th, 2020, USEPA redesignated the air 21 quality for the Lemont and Pekin areas for 22 containment of the sulfur dioxide on max. 23 The 24 reference on that is 85 Fed. Reg. 31738. 25 No Board action is required on that. The

1 Board just took note of it, because it really 2 doesn't change the applicability of any NAAOS within the state. And the final thing that USEPA did on 3 4 June 15th on 2020, was publish a new list of designated reference and equivalent methods. 5 That 6 new updated list included the methods approved on 7 February 3rd and May 7th. 8 The Board adopted a proposal for public 9 comment in this on September 17th, 2020. A notice 10 of proposed amendments period in the October 2nd, 2020, Illinois Register, along with -- that was of 11 12 the reference for that is 44 Illinois Reg. 16081. 13 Along with the proposed amendments was a 14 notice of public information, giving notice of this 15 hearing, and that was at 44 Illinois Reg. 16378. 16 Based on the publication date of 17 October 2nd, the 45-day public comment period 18 formally ended on November 16th. However, because of this hearing, I will 19 extend that public comment period for another two 20 21 weeks, to give people a chance to react to anything said today, until December 4th. 22 After December 4th, the Board at some 23 point will consider adopting final amendments. 24 The 25 statutory due date right now for this is

Page 7 1 February 3rd of 2021. 2 Having said all that I have to say in this 3 matter, does anyone have anything to add? 4 (Discussion off the record.) 5 HEARING OFFICER McCAMBRIDGE: Does anyone --6 MS. Godiksen, does the agency have anything to add, 7 to the record? 8 MS. GODIKSEN: No, we don't. 9 HEARING OFFICER McCAMBRIDGE: I'm sorry, you 10 broke up. The agency has nothing to add. 11 MS. GUNNISON: 12 HEARING OFFICER McCAMBRIDGE: Okay. Does 13 anyone -- any of the Board Members have anything to 14 add? 15 MS. SANTOS: Not I. 16 HEARING OFFICER McCAMBRIDGE: Anyone on Board 17 staff have anything to add? 18 (No response.) 19 HEARING OFFICER McCAMBRIDGE: The nature of these IIS proceeding is that the Board does not 20 engage in substantive review of what USEPA did. Our 21 22 job is to incorporate USEPA requirements into the 23 Illinois program, so that we can maintain a program 24 that is federally efficient. And as a result of that, I find myself 25
