ILLINOIS POLLUTION CONTROL BOARD December 17, 2020

PEOPLE OF THE STATE OF ILLINOIS,)	
Complainant,)	
v.)	PCB 21-33
LAWRENCE FOODS, INC., an Illinois corporation,)	(Enforcement - Air)
Respondent.)	

OPINION AND ORDER OF THE BOARD (by A. Palivos):

On October 29, 2020, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a three-count complaint against Lawrence Foods, Inc. (Lawrence Foods). The complaint concerns Lawrence Food's bakery ingredient manufacturing facility located at 2200 Lunt Avenue in Elk Grove Village, in Cook County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2018)), the Attorney General and the State's Attorneys may bring actions before the Board on behalf of the People to enforce Illinois' environmental requirements. *See* 415 ILCS 5/31 (2018); 35 Ill. Adm. Code 103. In this case, the People allege that Lawrence Foods violated the following authorities:

Count I—Section 9(a) of the Act, 415 ILCS 5/9(a) (2018) and Section 201.302(a) of the Board's Air Pollution Regulations, 35 Ill. Adm. Code 201.302(a) 1 by failing to timely submit a complete and accurate annual emissions report;

Count II—Section 9(b) of the Act, 415 ILCS 5/9(b) (2018) and Section 201.142 of the Board's Air Pollution Regulations, 35 Ill. Adm. Code 201.142 by constructing an emission source without a permit; and

Count III—Section 9(b) of the Act, 415 ILCS 5/9(b) (2018) and Section 201.143 of the Board's Air Pollution Regulations, 35 Ill. Adm. Code 201.143 by operating an emission source without a permit.

On October 29, 2020, the People and Lawrence Foods filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2018)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2018)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. See 35 III. Adm. Code 103.300(a). The Board provided notice of the stipulation,

proposed settlement, and request for relief. The newspaper notice was published in the *Daily Herald* on November 9, 2020. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2018); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Lawrence Food's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2018)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Lawrence Foods does not affirmatively admit the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2018)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, Lawrence Foods agrees to pay a civil penalty of \$12,500 within 30 days after the date of this order. The People and Lawrence Foods have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
