ORDER OF THE BOARD (by J. Van Wie):

On September 7, 2007, Willingham Farms (petitioner) filed a petition asking the Board to review the Illinois Environmental Protection Agency's (IEPA) May 4, 2007 final decision rejecting Willingham Farms' Corrective Action Plan (Plan). Willingham Farms submitted the Plan for a leaking underground storage tank (UST) incident at 5713 Shawnee College Road in Pulaski County (LUST Incident #20040141), Illinois.

On September 25, 2007, the Hearing Officer was informed of settlement discussions between the parties. The statutory deadline for decision was waived several times to allow for further settlement talks.

On March 4, 2021, Willingham Farms filed a Motion to Dismiss, stating that it no longer wishes to appeal the UST decision. Accordingly, the Board grants the motion, dismisses this matter, and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on March 18, 2021, by a vote of 4-0.

Don A. Brown, Clerk
Illinois Pollution Control Board
