Consistent with the Governor's Disaster Proclamation of March 5, 2021, issued in response to the Coronavirus Disease 2019 (COVID-19) pandemic, as well as Public Act 101-0640, effective June 12, 2020, the Board conducted this regular open meeting by teleconference.

The agenda provided dial-in information for members of the public and explained how they could use their telephones to participate in the meeting—whether by listening, speaking during Public Remarks, or both. Further, the agenda stated that the operator would ask for the name of each member of the public calling in and explain what to do for those who wished to speak. Finally, as noted in the agenda, the meeting was audio recorded.
