**HEARING OFFICER ORDER**

On August 12, 2021, all parties participated in a telephonic status conference with the hearing officer. Petitioner reported that it continues to have internal discussions regarding the completed mixing zones samplings as the receiving waters present unique issues. Petitioner anticipates it will reach out to the respondent within the next 2 weeks with a draft.

The petitioner stated that it will file an additional extension of the statutory decision date to and including March 18, 2022.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 16, 2021, at 9:30 a.m. The telephonic conference must be initiated by the petitioner, and a call-in number, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
