HEARING OFFICER ORDER

A telephonic status conference was previously scheduled for November 9, 2021. The petitioners report *via* email that a discovery schedule has been established in the related Lake County circuit court case and that the next status conference in that related matter is scheduled for February 15, 2022. The parties also reported that they continue settlement discussions in this and the related matter in circuit court. It was agreed that the status conference scheduled for the above-captioned matter be rescheduled to the date and time noted below.

The petitioners stated they will file an additional waiver of the statutory decision deadline to and including May 26, 2022.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 24, 2022, at 10:00 a.m. The telephonic status conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
